Dear Resident,

Mammoth Screen are currently in production of series 8 of the ITV drama "Endeavour". Set in the 1970s, the show follows Endeavour Morse in his early years as a police constable.

We will be filming some scenes on High Street and Rectory Road, Taplow between **Monday 12th and Wednesday 14th April 2021**. Our locations include the St Nicolas Church and Mulberry House.

As we are filming a period drama, we are kindly asking that the High Street and Rectory Road are clear of cars for our filming from Monday to Wednesday. Please see map overleaf for the areas we would like to keep clear. We will be using the village car park to park some of our equipment vehicles, however we will set aside some spaces for displaced resident vehicles. We have also hired the car park of the Oak and Saw to be used for parking our larger equipment vehicles.

As we will be filming on the highway, we have been granted permission to use stop/go traffic control to temporarily hold traffic during a take, and then release traffic once our cast are out of the road. We understand how much disruption this can cause, therefore we will only be holding traffic for a few minutes at a time to try and keep disruption to a minimum. We will ensure driveways to not get blocked and emergency access to the village is maintained at all times.

On Thursday 15th April we will be filming only within Cedar Chase. We will still be making use of the village car park and village hall, however on this day we will no longer be filming on the highway so will not require traffic control, and no longer be using the Oak and Saw car park.

We will have Covid protocols in place to keep the cast, crew and members of the public safe during our filming. The film and television industry is permitted to continue working during the pandemic, provided we implement a Covid secure workplace.

If you have any questions or queries, please feel free to contact me on the details below. The film and TV industry relies on the good will of the people in the communities in which we film and we thank you in advance for your co-operation and support. If you have any questions or queries, please don't hesitate to contact me on the phone number or email address below.

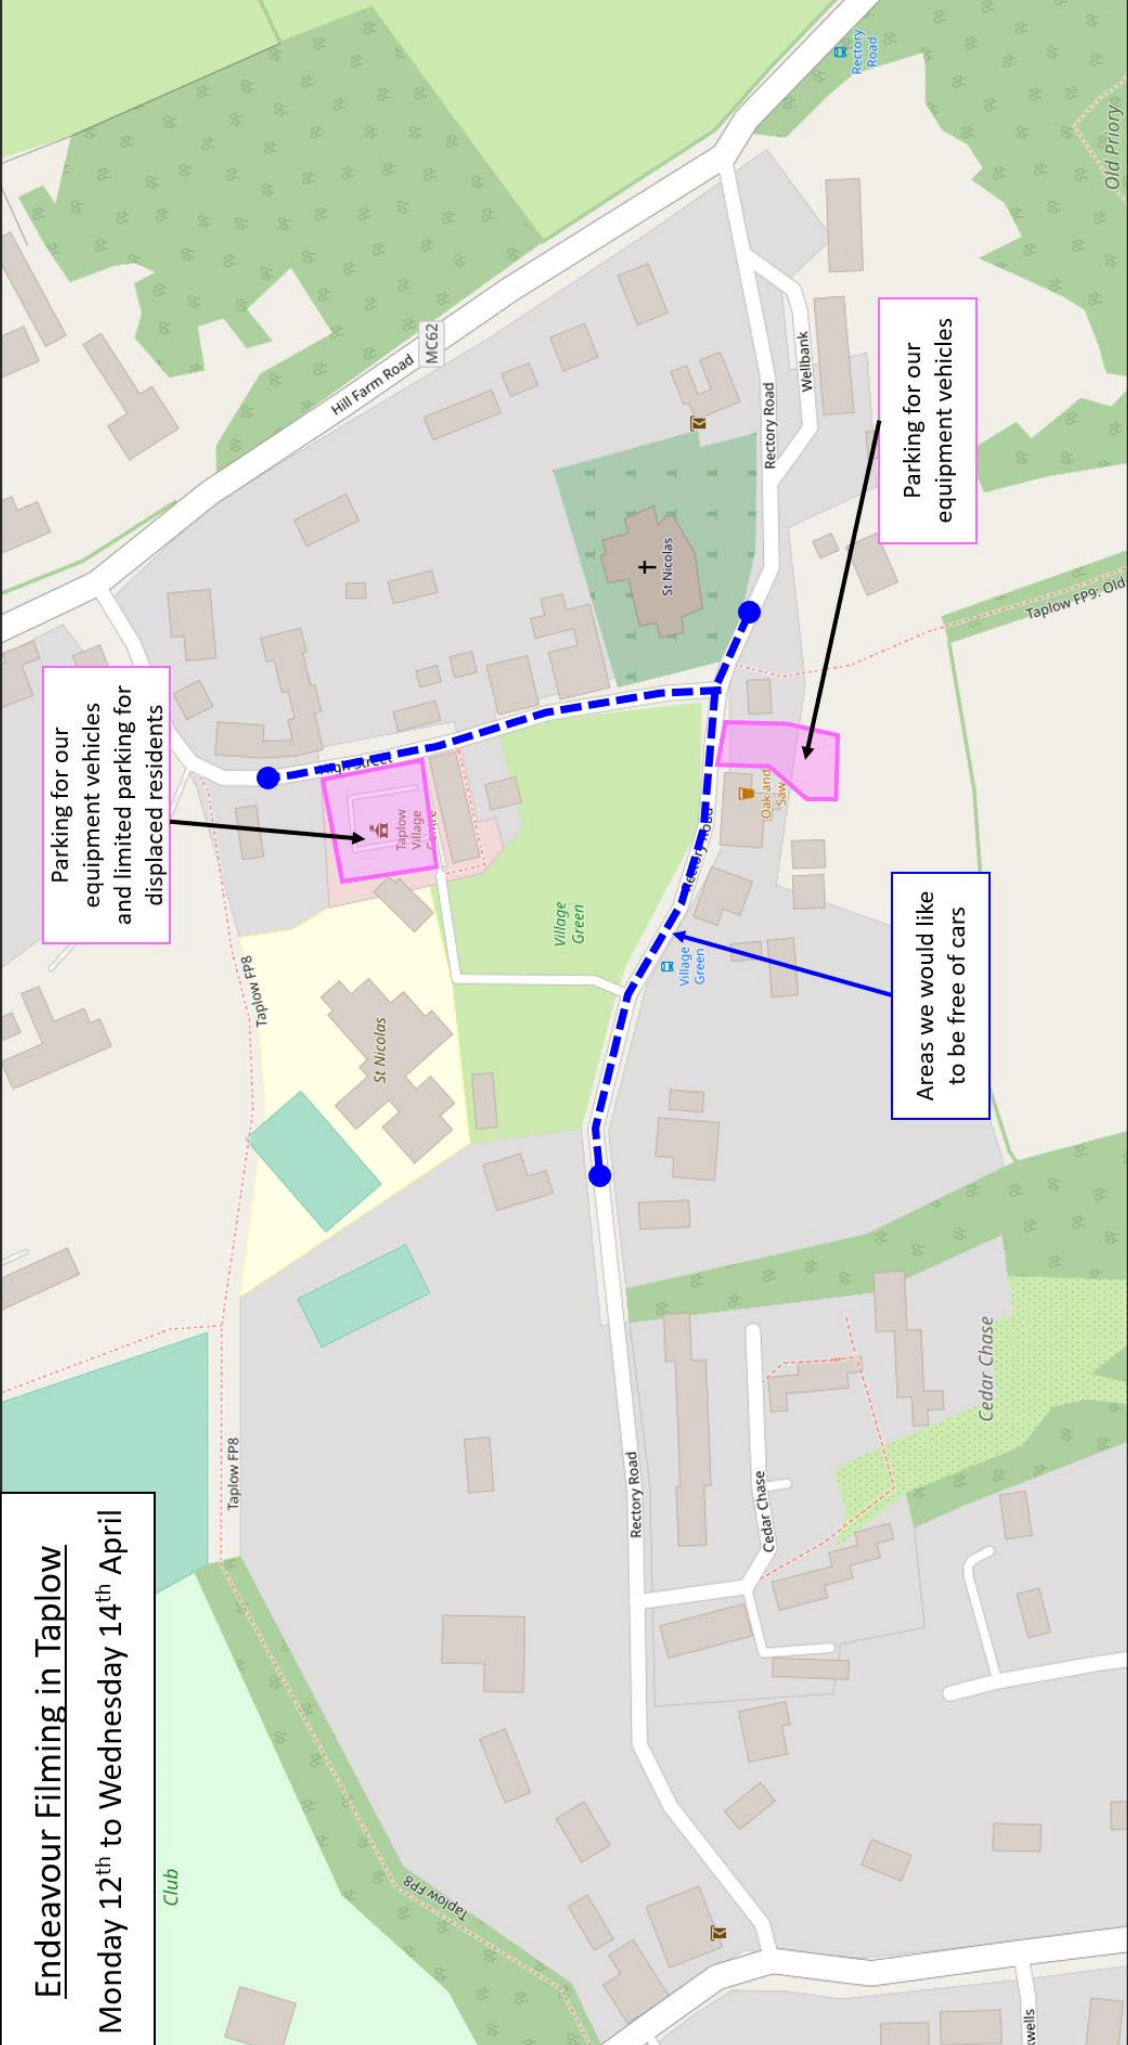

Yours faithfully,

Kerry Matthews
