

Forthcoming Meeting

EC³

Thames Valley Specialised Section
Electronics, Control Computing & Communications

MPEG Family

Maaruf Ali

Oxford Brookes University

Thursday 22rd November 2007 at 19:30

**Oxford Brookes University,
Headington Campus, Oxford.**

Light refreshments available from 19:00-19:30

The speaker will give an overview of the fundamentals of image compression covering JPEG, the MPEG Standards, including MPEG-7 and MPEG-21. The related H.26x standards will also be covered including the H.262, H.263, H.264 and the upcoming standard H.265, due for release in 2010. The latest recently standardised video compression standard, SVC (Scaleable Video Coding) released in 2006 will also be covered. Application scenarios will also be discussed.

If you want to know more, come along. All are welcome and no ticket is required. Simply turn up on the night. For more details please contact Dr Richard Mitchell at rjmitchell@theiet.org, or 0118 378 6790

Directions Enter Oxford Brookes from Gypsy Lane. The lecture will be sign-posted from the entrance hall. See <http://www.brookes.ac.uk/findus/headington>
